

# ECLIPSE & PEGASUS

light-duty return and tension return terminals  
– doubles, triples, and quads

**PEGASUS** - tension return

**ECLIPSE** - fixed return

Doppelmayr CTEC light-duty return and tension return chairlifts provide resorts with an excellent choice for short runs, beginner and intermediate terrain, and light-duty transportation needs. Both the monopod ECLIPSE and the tri-leg PEGASUS fixed grip systems offer time-proven technology, long service life, ultra low maintenance, and high capacities.

# ECLIPSE AND PEGASUS
